SiyaBusa ERP - HR & Payroll Module Training

HR & PAYROLL TRAINING

Comprehensive HR and Payroll training covering Employee Management, Leave Administration, Payroll Processing, SARS Submissions, and HR Reports.

Complete Training Guide for HR Teams

Training Overview

Duration: 4-6 hours

Prerequisites: Getting Started Guide completed

Certification: HR & Payroll Specialist

Assessment: 40 questions, 80% to pass

Module 1: Employee Management (45 minutes)

Learning Objectives

- Create and maintain employee records
 - Understand employee data structure
 - Manage employee documents
 - Handle employee lifecycle events
-

1.1 Employee Record Structure

Employee Record Components:

Section	Contains
Personal Details	Name, ID, contact, demographics
Employment Details	Position, department, manager, dates
Compensation	Salary, allowances, deductions
Banking	Bank details for salary payment
Tax	Tax number, tax status, IRP5 info
Benefits	Medical aid, pension, other benefits
Documents	Contracts, certificates, IDs
Leave	Balances, history, entitlements

1.2 Adding a New Employee

Step-by-Step:

1. Navigate to **HR** → **Employees**
2. Click **+ Add Employee**
3. Complete each tab:

Tab 1: Personal Information

Field	Required	Notes
First Name	Yes	Legal first name
Last Name	Yes	Legal surname
ID Number	Yes	13-digit SA ID
Date of Birth	Auto	Extracted from ID
Gender	Auto	Extracted from ID
Email	Yes	Work email
Phone	Yes	Contact number
Address	Yes	Physical address

Tab 2: Employment Details

Field	Required	Notes
Employee Number	Auto	System generated
Start Date	Yes	First day of work
Department	Yes	Select from list
Position	Yes	Job title
Manager	Yes	Reports to
Employment Type	Yes	Permanent/Contract/Part-time
Work Location	No	Office/Remote/Hybrid

Tab 3: Compensation

Field	Required	Notes
Basic Salary	Yes	Monthly amount
Pay Frequency	Yes	Monthly/Fortnightly/Weekly
Payment Method	Yes	Bank Transfer/Cash/Cheque
Cost Centre	No	For reporting

Tab 4: Tax Information

Field	Required	Notes
Tax Number	Yes	SARS tax reference
Tax Status	Yes	A/B/C (based on age/status)
Nature of Person	Yes	Individual/Director
EMP501 Category	Yes	For IRP5 reporting

4. Upload required documents

5. Click **Save**

1.3 Employee Self-Service

What Employees Can Do:

- View their own profile
- Update contact details
- Download payslips
- Apply for leave
- Submit expense claims
- View company policies

Enabling Self-Service:

1. Go to employee record
2. Click **Actions** → **Enable Self-Service**
3. System sends login credentials

1.4 Employee Lifecycle Events

Promotion/Transfer:

1. Open employee record
2. Click **Actions** → **Promotion/Transfer**
3. Enter effective date
4. Update position/department/salary
5. Add supporting documents
6. Click **Save**

Termination:

1. Open employee record
2. Click **Actions** → **Terminate**
3. Enter last working day
4. Select termination reason
5. Calculate final pay
6. Generate termination checklist
7. Click **Process Termination**

1.5 Practice Exercise

Exercise 1: Add a New Employee

Create a new employee record:

- Name: Thabo Mokoena
- ID: 9001015012081
- Position: Accountant
- Department: Finance
- Basic Salary: R35,000
- Start Date: 1 February 2026

Module 2: Leave Administration (30 minutes)

Learning Objectives

- Configure leave types and policies
 - Process leave applications
 - Manage leave balances
 - Generate leave reports
-

2.1 Leave Types in South Africa

Statutory Leave (BCEA):

Leave Type	Entitlement	Notes
Annual Leave	15-21 days	Based on days worked per week
Sick Leave	30 days/3 years	6-week cycle
Family Responsibility	3 days/year	Birth, death, illness
Maternity	4 months	4 consecutive months
Parental	10 days	New fathers, adoption

Company Leave (Optional):

- Study leave
- Compassionate leave
- Religious holidays
- Bonus leave

2.2 Configuring Leave Policies

Step-by-Step:

1. Go to **HR** → **Setup** → **Leave Policies**
2. Click **+ Add Policy**
3. Configure:

Setting	Description
Leave Type	Annual/Sick/etc.
Days Per Year	Entitlement
Accrual Method	Monthly/Annual/Immediate
Carry Over	Yes/No, max days
Pro-rata	For new joiners
Requires Approval	Yes/No, approver level
Documentation	Doctor's note required?

4. Assign to employee groups
5. Click **Save**

2.3 Processing Leave Applications

Employee Applies (Self-Service):

1. Employee goes to **Leave** → **Apply**
2. Selects leave type and dates
3. Adds reason/comments
4. Attaches documents if required
5. Submits application

Manager Approves:

1. Manager receives notification
2. Goes to **Approvals** → **Leave Requests**
3. Reviews request and balance
4. Clicks **Approve** or **Decline**

5. Adds comments if declining
6. Employee notified of decision

2.4 Manual Leave Adjustments

When Needed:

- Carried over leave from previous system
- Bonus leave granted
- Leave balance correction

Step-by-Step:

1. Go to employee's leave record
2. Click **Adjust Balance**
3. Select leave type
4. Enter adjustment (+/-)
5. Add reason
6. Click **Save**

2.5 Leave Reports

Key Reports:

Report	Purpose
Leave Balances	Current balances by employee
Leave Taken	Leave usage for period
Leave Forecast	Planned leave by department
Leave Liability	Financial value of leave owed

2.6 Practice Exercise

Exercise 2: Process Leave

1. Apply for 5 days annual leave for Thabo Mokoena
2. Approve the leave request
3. Check the updated leave balance
4. Run a leave balance report for the Finance department

Module 3: Payroll Setup (45 minutes)

Learning Objectives

- Configure payroll components
 - Set up PAYE, UIF, and SDL
 - Create earning and deduction types
 - Understand pay frequencies
-

3.1 South African Payroll Components

Statutory Deductions:

Component	Rate	Employer	Employee
PAYE	Tax tables	-	Variable
UIF	2%	1%	1%
SDL	1%	1%	-

Common Earnings:

- Basic Salary
- Overtime
- Commission
- Bonuses
- Allowances (Travel, Cell, Housing)

Common Deductions:

- Medical Aid
- Pension/Provident Fund
- Garnishee Orders
- Union Fees
- Loans

3.2 Setting Up PAYE

PAYE is Automatic in SiyaBusa

The system uses official SARS tax tables for:

- Annual tax brackets
- Tax rebates (Primary, Secondary, Tertiary)
- Medical tax credits

Configuration:

1. Go to **Payroll** → **Setup** → **Tax Tables**
2. Verify current tax year tables loaded
3. Update annually when SARS releases new tables

Tax Status Codes:

Code	Description	Primary Rebate
A	Under 65	R17,235
B	65-74 years	R9,444 (additional)
C	75+ years	R3,145 (additional)

3.3 Setting Up UIF

Configuration:

1. Go to **Payroll** → **Setup** → **Statutory**
2. UIF settings:
 - Contribution Rate: 1% employee, 1% employer
 - Ceiling: R17,712 (2025/2026)
 - Maximum contribution: R177.12 each

Excluded from UIF:

- Employees working <24 hours/month
- Learners in learnership
- Public servants (GEPP)

3.4 Creating Earning Types

Step-by-Step:

1. Go to **Payroll** → **Setup** → **Earning Types**
2. Click **+ Add**
3. Configure:

Field	Example: Travel Allowance
Code	TRAVEL
Name	Travel Allowance
Tax Treatment	80% taxable
UIF	No
SDL	Yes
Calculation	Fixed amount

4. Click **Save**

3.5 Creating Deduction Types

Step-by-Step:

1. Go to **Payroll** → **Setup** → **Deduction Types**
2. Click **+ Add**
3. Configure:

Field	Example: Medical Aid
Code	MEDAID
Name	Medical Aid - Discovery
Type	Before Tax
Calculation	Fixed amount
Tax Credit	Yes
Priority	1 (first deduction)

4. Click **Save**

3.6 Assigning to Employees

Individual Assignment:

1. Open employee record
2. Go to **Compensation** tab
3. Click **+ Add Earning** or **+ Add Deduction**
4. Select type and amount
5. Set effective date
6. Click **Save**

Bulk Assignment:

1. Go to **Payroll** → **Bulk Update**
2. Select earning/deduction
3. Filter employees
4. Set amount
5. Apply

3.7 Practice Exercise

Exercise 3: Payroll Setup

1. Create a new earning type: "Cell Phone Allowance"
 - 100% taxable
 - Subject to UIF and SDL
2. Assign R500 cell phone allowance to Thabo Mokoena

Module 4: Running Payroll (45 minutes)

Learning Objectives

- Create and process pay runs
- Review payroll calculations
- Handle exceptions
- Finalize and post payroll

4.1 The Payroll Process

Create Pay Run → Calculate → Review → Approve → Post → Pay → Reports

4.2 Creating a Pay Run

Step-by-Step:

1. Go to **Payroll** → **Pay Runs**
2. Click **+ New Pay Run**
3. Configure:

Field	Description
Pay Period	January 2026
Pay Date	25 January 2026
Pay Frequency	Monthly
Employees	All/Selected

4. Click **Create Pay Run**

4.3 Calculating Payroll

System Automatically Calculates:

1. Gross Pay

- Basic salary
- Allowances
- Overtime
- Commissions
- Bonuses

2. Statutory Deductions

- PAYE (based on tax tables)
- UIF (1% employee, 1% employer)
- SDL (1% employer)

3. Other Deductions

- Medical aid
- Pension/provident
- Loans
- Garnishees

4. Net Pay

- Gross pay - All deductions

4.4 Reviewing the Payroll

Review Checklist:

Total gross pay matches expectations
New employees included
Terminated employees excluded
Leave without pay applied
Salary changes effective
PAYE calculations correct
UIF/SDL within limits
Medical aid credits applied
Loan deductions progressing
Net pay balances to bank file

Common Exceptions:

Exception	Cause	Resolution
Negative net pay	Deductions > Gross	Reduce deductions or advance pay
Zero PAYE	Below threshold	Verify - may be correct
UIF over limit	High earner	Verify ceiling applied
Missing employee	Filter/status	Check employee status

4.5 Handling Manual Adjustments

One-time Additions:

1. Open pay run
2. Select employee

3. Click **+ Add One-Time Earning**
4. Enter type and amount
5. Save

One-time Deductions:

1. Same process, select **+ Add One-Time Deduction**

4.6 Finalizing Payroll

Step-by-Step:

1. Complete all reviews
2. Get required approvals
3. Click **Finalize Pay Run**
4. System locks pay run from changes
5. Click **Post to GL**
6. Payroll entries created in financials

4.7 Generating Payment Files

Bank File (EFT):

1. Go to finalized pay run
2. Click **Generate Bank File**
3. Select bank format (Standard Bank, FNB, etc.)
4. Download file
5. Upload to banking platform

Cash Payment List:

1. Click **Cash Payment Report**
2. Print for cash payments

4.8 Payslips

Individual Payslip:

1. Go to pay run
2. Select employee
3. Click **View Payslip**

4. Download PDF or send email

Bulk Distribution:

1. Go to pay run
2. Click **Distribute Payslips**
3. Choose method (Email/Portal)
4. Click **Send**

4.9 Practice Exercise

Exercise 4: Process Payroll

1. Create a pay run for February 2026
 2. Calculate payroll
 3. Add a R2,000 performance bonus to Thabo Mokoena
 4. Review the pay run
 5. Generate a payslip for Thabo
-

Module 5: SARS Submissions (30 minutes)

Learning Objectives

- Understand EMP201/EMP501 requirements
 - Generate monthly submissions
 - Process IRP5 certificates
 - Handle reconciliations
-

5.1 Monthly EMP201

What is EMP201?

Monthly employer declaration to SARS for:

- PAYE deducted
- SDL payable
- UIF payable

Due Date: 7th of the following month

Step-by-Step:

1. Go to **Payroll** → **SARS** → **EMP201**
2. Select tax period
3. Review totals:
 - Total PAYE
 - Total SDL
 - Total UIF
 - Total ETI (if applicable)
4. Click **Generate EMP201**
5. Download file
6. Submit via eFiling

5.2 Annual EMP501 Reconciliation

What is EMP501?

Annual reconciliation of all employee earnings and taxes.

Due Date: 31 May (usually)

Process:

1. Go to **Payroll** → **SARS** → **EMP501**
2. Select tax year
3. Review all employees
4. Verify IRP5 codes
5. Check totals match EMP201s
6. Generate submission file
7. Submit via eFiling

5.3 IRP5/IT3(a) Certificates

Generation:

1. Go to **Payroll** → **SARS** → **IRP5 Certificates**
2. Select tax year
3. Click **Generate All**
4. Review each certificate

5. Click **Finalize**

Distribution:

1. Click **Distribute to Employees**
2. Employees receive via email/portal
3. Track who has downloaded

5.4 Common Reconciliation Issues

Issue	Cause	Resolution
EMP201 vs EMP501 mismatch	Adjustments not in monthly	Post adjustment entries
Missing employees	Mid-year joins	Verify all periods
Incorrect codes	Wrong IRP5 codes	Review and correct
Tax certificate errors	Manual overrides	Investigate history

5.5 Practice Exercise

Exercise 5: SARS Reports

1. Generate an EMP201 preview for January 2026
2. Review the PAYE, UIF, and SDL totals
3. Preview an IRP5 for Thabo Mokoena

Module 6: HR Reports (30 minutes)

Learning Objectives

- Run standard HR reports
- Use report filters
- Schedule automated reports
- Export for analysis

6.1 Standard HR Reports

Report	Purpose	Frequency
Employee Master	Full employee list	As needed
Headcount	Total by department	Monthly
Turnover Report	Joins/Leaves analysis	Monthly
Leave Balances	Current leave owed	Monthly
Leave Liability	Financial value of leave	Quarterly
Birthday List	Upcoming birthdays	Weekly
Service Anniversaries	Work anniversaries	Monthly
Skills Matrix	Skills inventory	Quarterly

6.2 Standard Payroll Reports

Report	Purpose	Frequency
Payroll Register	Full pay run details	Per pay run
Cost Distribution	By cost centre	Per pay run
Variance Report	Compare to prior	Per pay run
Tax Report	PAYE summary	Monthly
Deduction Report	All deductions	Per pay run
Bank File Summary	Payment breakdown	Per pay run
EMP201 Preview	SARS submission	Monthly
Annual Tax Recon	Year-end summary	Annually

6.3 Running Reports

Step-by-Step:

1. Go to **Reports** → **HR** or **Payroll**
2. Select report
3. Set parameters:

- Date range
- Department filter
- Employee filter
- Grouping options

4. Click **Generate**

6.4 Scheduling Reports

Step-by-Step:

1. Go to **Reports** → **Scheduled Reports**
2. Click **+ New Schedule**
3. Configure:
 - Report name
 - Frequency
 - Recipients
 - Format (PDF/Excel)
4. Click **Save**

6.5 Practice Exercise

Exercise 6: Generate Reports

1. Run a Headcount Report by department
2. Generate a Payroll Cost Distribution report
3. Schedule a monthly Leave Balance report to be emailed

Assessment Preparation

Key Topics to Review

1. **Employee Management**
 - Record structure
 - Lifecycle events
 - Document management
2. **Leave Administration**

- Statutory requirements (BCEA)
- Policy configuration
- Approval workflows

3. Payroll Setup

- PAYE, UIF, SDL
- Earnings and deductions
- Tax tables

4. Running Payroll

- Pay run process
- Calculations
- Exceptions

5. SARS Compliance

- EMP201 (monthly)
- EMP501 (annual)
- IRP5 certificates

Sample Assessment Questions

Question 1: What is the UIF contribution rate for employers?

- A) 0.5%
- B) 1%
- C) 2%
- D) 1.5%

Question 2: How many days annual leave is the minimum under BCEA?

- A) 10 days
- B) 15 days
- C) 21 days
- D) 30 days

Question 3: When is EMP201 due to SARS?

- A) 1st of the month

- B) 7th of the following month
- C) 15th of the month
- D) Last day of the month

Quick Reference Card

Statutory Requirements

Component	Rate	Ceiling
PAYE	Tax tables	None
UIF	2% total	R17,712/month
SDL	1% employer	None

Leave Entitlements (BCEA)

Type	Days
Annual	15-21
Sick	30/3 years
Family	3/year
Maternity	4 months

Key Navigation

Task	Path
Add Employee	HR → Employees → + Add
Process Leave	HR → Leave → Applications
Run Payroll	Payroll → Pay Runs → + New
EMP201	Payroll → SARS → EMP201
