 - User satisfaction scores
-

Frequently Asked Questions

Q: How long does full training take?

A: Basic proficiency: 2-4 hours. Full certification: 8-12 hours depending on role.

Q: Can I skip modules I already know?

A: Yes, you can take the assessment directly. Score 80%+ to earn the certificate.

Q: Is training mandatory?

A: End User training is required for system access. Additional training is recommended but optional.

Q: How often do I need to recertify?

A: Annually, or when major features are released.

Q: Can I train my team internally?

A: Yes! Train-the-trainer programs available. Contact us for details.
