1. EXPLAINER VIDEO (90 seconds)

Title: "What is SiyaBusa ERP?"

Target Audience: Cold prospects, website visitors

Tone: Professional, energetic, clear

Format: Animated explainer with voiceover

SCRIPT:

[0:00-0:10] HOOK

[Visual: Frustrated business owner buried in paperwork, multiple screens, spreadsheets]

Voiceover:

"Running a business in South Africa shouldn't mean drowning in spreadsheets, chasing SARS deadlines, and praying you're audit-ready."

[0:10-0:25] PROBLEM

[Visual: Split screen - chaos on left, calm on right]

Voiceover:

"Most ERPs are either too expensive, too complicated, or built for someone else. SAP wants millions. Sage charges for every module. And none of them truly understand South African business."

[0:25-0:45] SOLUTION

[Visual: SiyaBusa logo transforms into clean dashboard interface]

Voiceover:

"SiyaBusa is different. We built an enterprise-grade ERP from the ground up—specifically for South African businesses. Financial management, HR, inventory, manufacturing, compliance—all in one beautiful system."

[Visual: Quick montage of modules]

[0:45-1:05] DIFFERENTIATORS

[Visual: SARS Sentinel interface]

Voiceover:

"Our SARS Sentinel automatically tracks every SARS letter, calculates your response deadlines, and keeps you compliant. No other ERP does this."

[Visual: Audit Shield dashboard]

"And Audit Shield keeps you audit-ready year-round, with pre-built checklists and evidence management."

[1:05-1:20] PROOF

[Visual: Happy customers, logos, stats]

Voiceover:

"Businesses across manufacturing, services, and construction trust SiyaBusa. They save 10-20 hours monthly on admin, and typically pay 40-50% less than comparable solutions."

[1:20-1:30] CTA

[Visual: Demo button, contact info]

Voiceover:

"Ready to simplify your business? Visit siyabusa.co.za for a free demo. SiyaBusa—We Rule. We Govern. We Empower."

2. FEATURE SPOTLIGHT: SARS Sentinel (60 seconds)

Title: "Never Miss a SARS Deadline Again"

Target Audience: Financial managers, business owners

Tone: Reassuring, professional

Format: Screen recording with voiceover

SCRIPT:

[0:00-0:10] HOOK

[Visual: SARS letter notification popping up]

Voiceover:

"Got another letter from SARS? Most businesses panic. SiyaBusa users don't."

[0:10-0:25] PROBLEM

[Visual: Pile of SARS letters, missed deadlines calendar]

Voiceover:

"SARS correspondence is stressful. Miss a deadline, face penalties. Lose a letter, face an audit. It's a compliance nightmare."

[0:25-0:45] DEMO

[Visual: SARS Sentinel dashboard]

Voiceover:

"SARS Sentinel changes everything. Upload any SARS letter—our AI automatically classifies it, extracts the deadline, and creates a response workflow."

[Visual: Drag and drop upload, auto-classification]

"IT34, VAT201, Customs notice—we handle them all."

[0:45-0:55] BENEFITS

[Visual: Dashboard with deadline tracker, alerts]

Voiceover:

"Get automatic reminders before deadlines. See all pending items at a glance. Generate responses with one click."

[0:55-1:00] CTA

[Visual: "See It In Action" button]

Voiceover:

"See SARS Sentinel in action. Book your demo at siyabusa.co.za."

3. FEATURE SPOTLIGHT: Audit Shield (60 seconds)

Title: "Be Audit-Ready, Always"

Target Audience: Financial managers, CFOs

Tone: Confidential, professional

Format: Screen recording with voiceover

SCRIPT:

[0:00-0:10] HOOK

[Visual: Auditor arriving, panicked finance team]

Voiceover:

"When your auditors call, are you ready? Or does your team scramble for weeks?"

[0:10-0:20] PROBLEM

[Visual: Boxes of files, scattered documents, stressed employees]

Voiceover:

"Audit preparation shouldn't be a crisis. But without the right tools, it always is."

[0:20-0:40] DEMO

[Visual: Audit Shield dashboard with checklists]

Voiceover:

"Audit Shield keeps you audit-ready year-round. Pre-built checklists for VAT, PAYE, IFRS, and King IV compliance. Evidence collection that links documents to requirements. A secure auditor portal for seamless collaboration."

[Visual: Evidence linking, auditor portal]

[0:40-0:55] BENEFITS

[Visual: Audit readiness score, green checkmarks]

Voiceover:

"Track your readiness score in real-time. Know exactly where you stand. Reduce audit fees by being prepared."
