WE RULE. WE GOVERN. WE EMPOWER.

SERVICE COMMITMENTS

Service level agreement defining availability, support tiers, and performance standards.

Service Level Agreement (SLA)

Effective Date: January 1, 2026

Version: 1.0

1. Introduction

1.1 Purpose

This Service Level Agreement ("SLA") describes the service levels that **Masaphokati Technologies (Pty) Ltd** ("Provider", "we", "us") commits to provide to customers ("Customer", "you") of the SiyaBusa ERP service ("Service").

1.2 Scope

This SLA applies to:

- SiyaBusa ERP cloud-hosted service
- All subscription plans (Starter, Professional, Enterprise)
- Production environments

This SLA does not apply to:

- Development, test, or sandbox environments
- Customer-caused issues
- Third-party integrations not provided by us
- Free trials or beta features

1.3 Agreement

This SLA is incorporated by reference into the SiyaBusa ERP Terms of Service and any applicable Master Services Agreement. In case of conflict, the MSA takes precedence.

2. Service Availability

2.1 Availability Commitment

We commit to the following availability levels:

Plan	Monthly Availability Target	Annual Downtime Allowance
Starter	99.5%	~3.65 hours/month
Professional	99.9%	~43 minutes/month
Enterprise	99.95%	~22 minutes/month

2.2 Availability Calculation

```
Availability % = ((Total Minutes - Downtime Minutes) / Total Minutes) × 100
```

Where:

- Total Minutes = Total minutes in the calendar month
- Downtime Minutes = Minutes the Service was unavailable (excluding Exclusions)

2.3 Availability Exclusions

Downtime does **not** include:

- Scheduled maintenance (with proper notice)
 - Emergency maintenance (for security or stability)
 - Customer-caused outages
 - Third-party service failures outside our control
 - Force majeure events
 - Features in beta or preview
 - Customer network or equipment issues
-

3. Service Credits

3.1 Credit Eligibility

If we fail to meet the Availability Target, you may be eligible for service credits:

Monthly Availability	Service Credit
< Target, ≥ 99.0%	10% of monthly fee
< 99.0%, ≥ 95.0%	25% of monthly fee
< 95.0%	50% of monthly fee

3.2 Credit Request Process

To receive service credits:

1. **Submit Request:** Email sla@siyabusa.com within 30 days of the incident
2. **Include Details:**
 - Account/Tenant ID
 - Date(s) and time(s) of unavailability
 - Description of the impact
 - Any error messages or screenshots
3. **Verification:** We will verify the claim against our monitoring data
4. **Credit Issuance:** Approved credits applied to your next invoice

3.3 Credit Limitations

- Maximum credit: 50% of monthly fee per month
- Credits are not transferable or redeemable for cash
- Credits expire 12 months after issuance
- Credits do not apply if you are in breach of the Terms of Service
- Credits are your sole remedy for availability failures

4. Support Services

4.1 Support Channels

Channel	Starter	Professional	Enterprise
Knowledge Base			
Community Forum			
Email Support			
Chat Support			
Phone Support			
Dedicated CSM			

4.2 Support Hours

Plan	Support Hours
Starter	08:00 - 17:00 SAST, Monday-Friday
Professional	07:00 - 19:00 SAST, Monday-Friday
Enterprise	24/7/365

SAST = South Africa Standard Time (UTC+2)

4.3 Priority Definitions

Priority	Definition	Examples
P1 - Critical	Service completely unavailable; major business impact	System down, data loss, security breach
P2 - High	Major feature unavailable; significant impact	Core module not working, unable to process transactions
P3 - Medium	Feature degraded; moderate impact	Slow performance, workaround available
P4 - Low	Minor issue; minimal impact	Cosmetic issues, enhancement requests

4.4 Response Time Targets

Priority	Starter	Professional	Enterprise
P1 - Critical	4 hours	1 hour	15 minutes
P2 - High	8 hours	4 hours	1 hour
P3 - Medium	24 hours	8 hours	4 hours
P4 - Low	48 hours	24 hours	8 hours

Response times are measured during Support Hours

4.5 Resolution Time Targets

Priority	Target Resolution
P1 - Critical	4 hours
P2 - High	8 hours
P3 - Medium	3 business days
P4 - Low	10 business days

Resolution targets are goals, not guarantees. Complex issues may require longer.

5. Maintenance Windows

5.1 Scheduled Maintenance

Maintenance Type	Notice	Typical Window
Standard	7 days advance notice	Sunday 02:00-06:00 SAST
Urgent	24 hours advance notice	Off-peak hours
Emergency	As soon as practical	Any time (security/stability)

5.2 Maintenance Communication

- Maintenance notifications sent via email to account administrators

- In-app notifications for upcoming maintenance
- Status page updates at status.siyabusa.com
- Post-maintenance summary for significant changes

5.3 Maintenance Best Practices

We commit to:

- Minimize maintenance frequency and duration
- Perform maintenance during low-usage periods
- Use rolling updates to minimize impact
- Test changes in staging before production

6. Performance Standards

6.1 Response Time Targets

Metric	Target	Measurement
Page Load Time	< 3 seconds	95th percentile
API Response Time	< 500ms	95th percentile
Report Generation	< 30 seconds	Standard reports
Search Results	< 2 seconds	95th percentile

6.2 Performance Monitoring

We continuously monitor:

- Server response times
- Database query performance
- API latency
- Error rates
- Resource utilization

6.3 Performance Reporting

Enterprise customers receive:

- Monthly performance reports
- Custom dashboard access
- Quarterly performance reviews

7. Data Protection

7.1 Backup Commitments

Backup Type	Frequency	Retention
Full Database	Daily	30 days
Transaction Logs	Continuous	7 days
Configuration	Daily	30 days
File Storage	Daily	30 days

7.2 Recovery Objectives

Metric	Target
Recovery Point Objective (RPO)	1 hour
Recovery Time Objective (RTO)	4 hours

RPO = Maximum data loss in case of disaster

RTO = Maximum time to restore service after disaster

7.3 Data Integrity

We commit to:

- Encrypted backups (AES-256)
 - Geographically redundant storage
 - Regular backup testing
 - Documented disaster recovery procedures
-

8. Security Standards

8.1 Security Commitments

We commit to:

- AES-256 encryption for data at rest
- TLS 1.3 encryption for data in transit
- Multi-factor authentication support
- Regular security assessments
- Vulnerability scanning and patching
- Security incident response procedures

8.2 Security Incident Response

Severity	Initial Response	Customer Notification
Critical	15 minutes	1 hour
High	1 hour	4 hours
Medium	4 hours	24 hours
Low	8 hours	As appropriate

8.3 Compliance

We maintain compliance with:

- POPIA (Protection of Personal Information Act)
- SOC 2 Type II (annual audit)
- ISO 27001 (information security)

9. Communication

9.1 Status Page

Real-time service status: status.siyabusa.com

The status page provides:

- Current system status
- Incident history
- Scheduled maintenance
- Subscription for updates

9.2 Incident Communication

During incidents, we provide:

Update Type	Frequency
Initial Acknowledgment	Within Response Time target
Progress Updates	Every 30 minutes (P1), hourly (P2)
Resolution Notice	Upon resolution
Post-Incident Report	Within 5 business days (P1/P2)

9.3 Post-Incident Reports

For P1 and P2 incidents, we provide:

- Incident timeline
- Root cause analysis
- Impact assessment
- Corrective actions
- Prevention measures

10. Customer Responsibilities

10.1 Your Responsibilities

To ensure optimal service, you are responsible for:

Responsibility	Description
Access Management	Manage user accounts and permissions
Data Quality	Ensure accuracy of data entered
Browser Support	Use supported browser versions
Network	Maintain adequate internet connectivity
Security	Protect login credentials, enable MFA
Communication	Maintain current contact information
Reporting	Report issues promptly via proper channels

10.2 Supported Browsers

Browser	Minimum Version
Google Chrome	Latest - 2
Microsoft Edge	Latest - 2
Mozilla Firefox	Latest - 2
Apple Safari	Latest - 2

10.3 Network Requirements

Requirement	Specification
Bandwidth	Minimum 10 Mbps per user
Latency	< 100ms to Cape Town
Firewall	Allow HTTPS (port 443)

11. Escalation Procedures

11.1 Escalation Matrix

Level	Contact	When to Escalate
Level 1	Support Team	Initial contact
Level 2	Support Manager	No progress after 4 hours (P1/P2)
Level 3	Director of Operations	No progress after 8 hours (P1)
Level 4	Executive Team	Business-critical impact

11.2 Escalation Contacts

Level	Email	Phone
Support	support@siyabusa.com	+27 XX XXX XXXX
Escalations	escalations@siyabusa.com	+27 XX XXX XXXX
Emergency (P1)	emergency@siyabusa.com	+27 XX XXX XXXX

11.3 When to Escalate

Escalate if:

- Response time targets not met
 - Issue is business-critical
 - Repeated issues with no resolution
 - Communication is inadequate
-

12. Reporting and Reviews

12.1 Service Reports

Report	Frequency	Availability
Availability Report	Monthly	All plans
Performance Report	Monthly	Professional, Enterprise
Security Report	Quarterly	Enterprise
Custom Reports	As requested	Enterprise

12.2 Service Reviews

Review Type	Frequency	Plans
Quarterly Business Review	Quarterly	Enterprise
Annual Review	Annually	Professional, Enterprise

13. SLA Exclusions

13.1 Circumstances Not Covered

This SLA does not apply to service issues caused by:

1. **Customer Actions:**

- Misuse of the Service
- Unauthorized modifications
- Failure to follow guidelines
- Customer network or equipment issues

2. **Third-Party Factors:**

- Third-party service failures
- Internet connectivity issues
- DNS problems outside our control
- Third-party integrations

3. **External Events:**

- Force majeure (natural disasters, war, etc.)
- Government actions
- Malicious attacks (if reasonable measures were taken)

4. **Planned Activities:**

- Scheduled maintenance
- Customer-requested changes
- Testing and development environments

13.2 Beta and Preview Features

Features marked as "beta", "preview", or "experimental" are:

- Not covered by this SLA
 - Provided without service level commitments
 - Subject to change or discontinuation
-

14. Modifications

14.1 SLA Changes

We may modify this SLA:

- With 30 days' notice for non-material changes
- With 60 days' notice for material changes
- Immediately for changes that improve service levels

14.2 Notification

Changes will be communicated via:

- Email to account administrators
 - In-app notification
 - Status page announcement
-

15. Definitions

Term	Definition
Availability	The Service is accessible and functioning
Downtime	Period when the Service is not Available
Response Time	Time from issue submission to first response
Resolution Time	Time from issue submission to resolution
Scheduled Maintenance	Planned downtime for updates/maintenance
SAST	South Africa Standard Time (UTC+2)
Business Hours	Hours when support is available per plan
Business Days	Monday-Friday, excluding SA public holidays

16. Contact Information

Support:

- Email: support@siyabusa.com
- Chat: Available in the application
- Phone: +27 XX XXX XXXX

SLA Inquiries:

- Email: sla@siyabusa.com

Status Page:

- status.siyabusa.com
