Email:	sibusiso@sbgsgroup.co.za

PART B: TRADE MARK DETAILS

5. Trade Mark Applied For

Type of Mark: Word Mark Device Mark Combined Mark

The Mark:

Mark in Words: SARS SENTINEL

6. Disclaimer (Important)

Disclaimer Statement:

No claim is made to the exclusive right to use "SARS" apart from the mark as shown. The term "SARS" is used descriptively to indicate that the software relates to South African Revenue Service compliance and is not intended to suggest any official endorsement or affiliation with the South African Revenue Service.

7. Meaning of the Mark

SARS: Acronym for South African Revenue Service (used descriptively)

SENTINEL: A guard or watcher, indicating the software's protective/monitoring function

PART C: CLASSIFICATION

8. International Classification of Goods and Services (Nice Classification)

Class 9 - Computer Software

Specification of Goods:

Computer software for tax compliance management; computer software for monitoring and tracking tax-related correspondence; computer software for managing submissions to revenue authorities; computer software for tracking tax deadlines and obligations; computer software for generating tax compliance reports; computer software for analyzing tax-related documentation; computer software featuring artificial intelligence for tax compliance analysis; downloadable computer software for tax management; mobile applications for tax compliance tracking.

Class 42 - Technology Services

Specification of Services:

Software as a service (SaaS) featuring software for tax compliance management; cloud computing services featuring software for tax deadline monitoring; software as a service (SaaS) for tracking correspondence with revenue authorities; artificial intelligence services for tax compliance analysis and risk assessment; software design and development services for tax compliance applications; technical support services for tax compliance software; hosting of software as a service for tax management; data processing services relating to tax compliance.

PART D: PRIORITY CLAIM

No priority claimed

PART E: DECLARATION

I/We, the undersigned, hereby declare that:

1. The applicant is the proprietor of the trade mark applied for;
2. The trade mark is being used, or is proposed to be used, by the applicant or with the applicant's consent in relation to the goods/services specified;

3. To the best of my/our knowledge and belief, no other person is entitled to use the trade mark in relation to the goods/services specified;
4. The use of "SARS" in the mark is descriptive and refers to the South African Revenue Service only in the context of software that assists with SARS compliance;
5. The applicant does not claim exclusive rights to the term "SARS" separately from the composite mark;
6. The information contained in this application is true and correct.

Signature

Signature:	
Name:	Sibusiso Mavuso
Capacity:	CEO & Founder
Date:	

PART F: PAYMENT

Fee Calculation

Item	Amount (ZAR)
Class 9 Application Fee	R590.00
Class 42 Application Fee	R590.00
TOTAL	R1,180.00

PART G: LEGAL CONSIDERATIONS

Use of "SARS" in Trademark

Legal Analysis:

1. **Descriptive Use:** The term "SARS" is used in a descriptive manner to indicate that the software product relates to South African Revenue Service compliance matters.

2. **No Official Affiliation:** The mark does not suggest official endorsement by or affiliation with the South African Revenue Service.
3. **Composite Mark:** The mark "SARS SENTINEL" is a composite mark where the distinctiveness comes from the combination and particularly from the word "SENTINEL."
4. **Disclaimer:** A disclaimer has been included to clarify that no exclusive rights are claimed over "SARS" separately.
5. **Precedent:** Similar composite marks using government agency acronyms with descriptive additions have been registered in various jurisdictions.

Risk Mitigation

- Clear marketing materials stating no government affiliation
- Prominent disclaimer on all product materials
- Focus on "SENTINEL" as the distinctive element
- Alternative fallback mark: "TAX SENTINEL" if objection arises

ADDITIONAL DOCUMENTATION

Supporting Materials (to be attached)

1. Evidence of use of the mark in commerce (if available)
2. Screenshots of software product
3. Marketing materials showing mark usage
4. Company registration documents

SUBMISSION CHECKLIST

Completed all sections of the application form
Included disclaimer regarding "SARS"
Clear representation of the trade mark
Listed goods/services for each class
Made payment or included proof of payment
Signed the declaration
Prepared fallback strategy if objection raised

CONTINGENCY PLAN

If the mark "SARS SENTINEL" faces objection, consider:

1. **TAX SENTINEL** - Same functionality, removes SARS reference
 2. **REVENUE SENTINEL** - Broader tax reference
 3. **COMPLIANCE SENTINEL** - Generic compliance focus
 4. **SA TAX SENTINEL** - South African Tax reference
-
