SiyaBusa ERP - One-Pager

MARKETING ONE-PAGER

A high-level summary of SiyaBusa ERP features and benefits for prospective clients.

The ERP Platform South African Businesses Deserve

40-50% Savings | 100% RSA Compliant | 4-10 Week Implementation

The Problem

South African mid-market businesses (R10M-R500M revenue) are stuck:

- **SAP/Oracle/Microsoft:** R1,500-R3,500/user/month — expensive
- **QuickBooks/Xero/Sage Pastel:** Limited features — can't scale
- **The Gap:** 60,000+ businesses need full ERP at fair prices

Result: Manual processes, compliance risks, operational inefficiency

The Solution: SiyaBusa ERP

A **complete, cloud-native ERP** built specifically for South African businesses — using industry-standard per-user pricing at **40-50% savings**.
