Total Value: R250,000+

Your Investment: R0 (for 3 months)

What We Ask In Return

Requirement	Why It Matters
Active Usage	Real business data reveals real improvements needed
Weekly Feedback	30-minute calls to discuss your experience
Honest Assessment	We need to know what doesn't work, not just compliments
Case Study Potential	If satisfied, be featured in our launch (optional)
Post-Beta Commitment	First right of refusal on preferential pricing

Why This Matters for Your Business

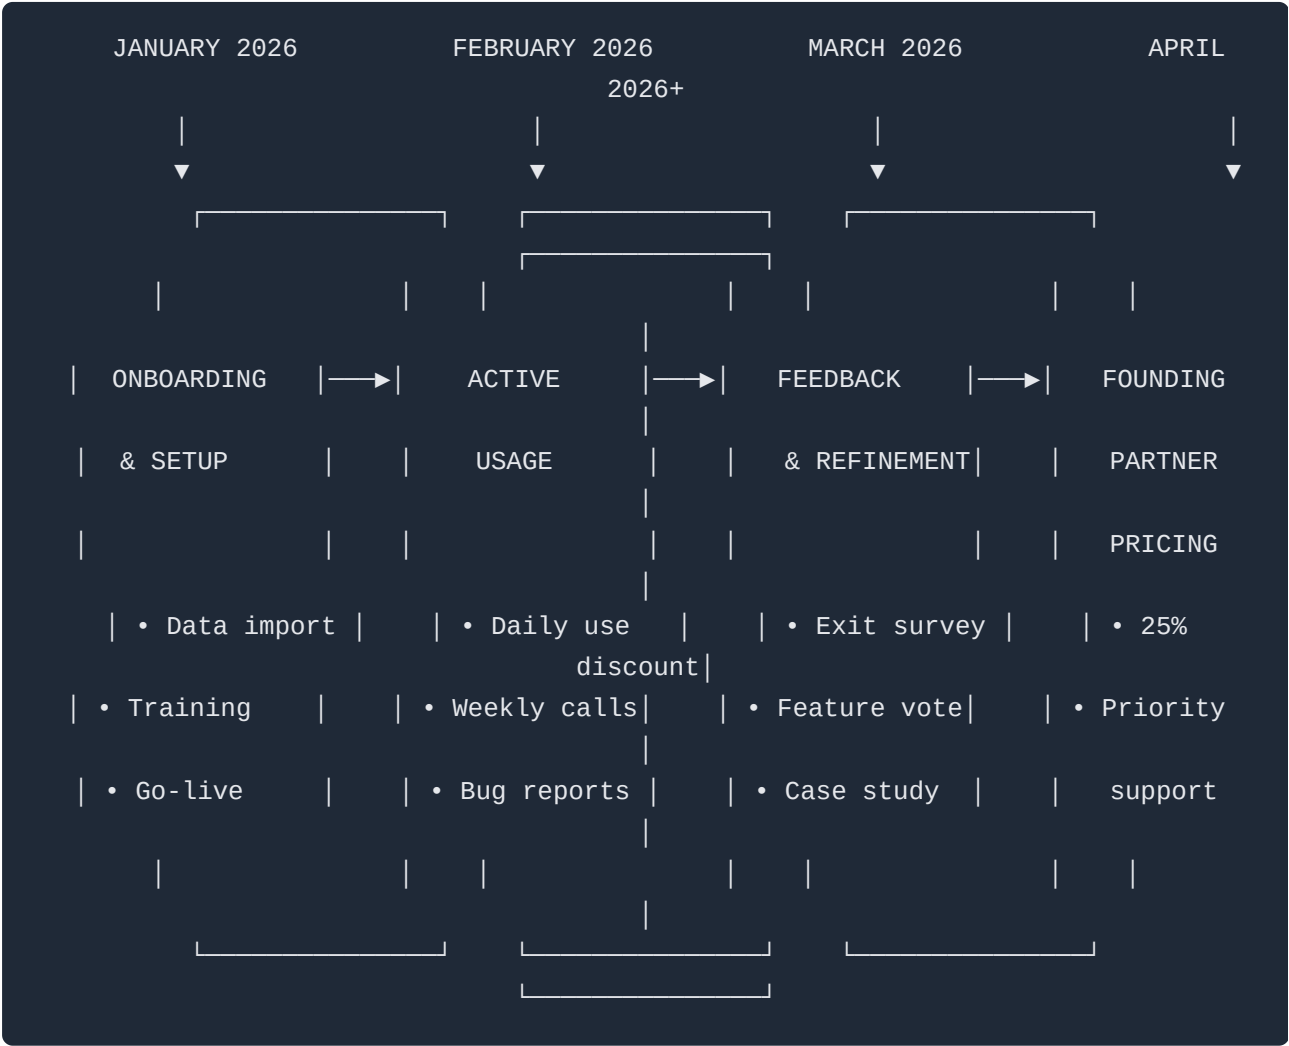

The Problem You Face Today

Current Reality	Impact
Multiple disconnected systems	Data silos, manual reconciliation
Expensive enterprise ERP	R50K-R200K/month out of reach
Basic accounting software	Can't handle manufacturing, HR, warehouse
Manual SARS compliance	Risk of penalties, deadline stress
No real-time visibility	Month-end surprises

What Changes with SiyaBusa

SiyaBusa Solution	Benefit
One Integrated Platform	Sales → Inventory → Finance → HR in one system
Native SA Compliance	PAYE, UIF, SDL, SARS submissions automated
AI Assistant	Ask questions, get instant answers from your data
Real-time Visibility	Know your cash position, stock levels, outstanding invoices NOW
Affordable Pricing	40% below SAP/Oracle when you convert post-beta

Beta Program Timeline
