**RE: CONFIRMATION OF INVESTMENT AND REQUEST TO PROTECT INVESTOR INTERESTS
SECTION 12J QUALIFYING INVESTMENT — DAVID MODIKWE**

Dear Mr Matamala,

1. Introduction

1.1 I write to you further to our previous telephonic conversation in which you confirmed receipt of investment funds channelled through Impact Empowerment Ventures (Pty) Ltd ("IEV"), an approved Venture Capital Company under Section 12J of the Income Tax Act.

1.2 As you are aware, IEV is now in formal liquidation, with Marumo Trustees appointed as the court liquidator. This letter is intended to formally place on record the details of my investment and to request your cooperation in protecting my interests as the ultimate beneficial investor of the funds.

2. Investment Details

2.1 I invested a total of **R2,175,375.00** through IEV over the 2020–2021 period, which was in turn invested by IEV into The Joseph Company / Muma Investments for Class D Student Accommodation.

2.2 My specific investment references are:

INVESTOR NUMBER	SHARE CERTIFICATE	YEAR	AMOUNT
S12J IIM 2019/147	D4	2020	R690,000
S12J IEV 2020/191	D34	2020/2021	R740,300
S12J IEV 2022/158	D86	2021	R745,075
TOTAL			R2,175,375.00

2.3 The qualifying shares corresponding to my investment were issued by The Joseph Company / Muma Investments to IEV (the VCC), not directly to me as the investor.

3. Requests

In light of IEV's liquidation and the fact that my invested capital is at risk, I respectfully request the following:

A. CONFIRMATION OF INVESTMENT

1. Written confirmation that The Joseph Company / Muma Investments received investment funds corresponding to my investor references listed above;
2. Confirmation of the quantum of funds received from IEV on my behalf;
3. Confirmation of the number and class of qualifying shares issued to IEV corresponding to my investment;
4. The current valuation of those qualifying shares.

B. PERFORMANCE INFORMATION

1. A performance report on the Class D Student Accommodation investment into which my funds were deployed;
2. Details of any income, dividends, or distributions generated by the investment;
3. Confirmation of whether any payments or distributions were made to IEV in respect of these investments.

C. PROTECTION OF INVESTOR INTERESTS

1. Confirmation of whether The Joseph Company / Muma Investments has been contacted by the liquidator (Marumo Trustees) regarding the qualifying shares;

2. An undertaking that no qualifying shares or assets corresponding to my investment will be transferred, encumbered, or disposed of without due process and regard for the rights of the underlying investors;
3. Confirmation of whether it is possible, in the circumstances, for the qualifying shares corresponding to my investment to be re-issued or transferred directly to me as the beneficial investor, subject to the necessary legal processes.

4. Legal Context

4.1 While the qualifying shares are registered in IEV's name, the economic substance is that the investment funds originated from me as an individual investor. IEV acted as an intermediary/conduit in its capacity as a Section 12J VCC.

4.2 I will be lodging a formal claim with the liquidator and have also referred this matter to the Financial Sector Conduct Authority (FSCA) for investigation.

4.3 I trust that The Joseph Company / Muma Investments will cooperate fully with all parties to ensure that the rights of the underlying investors are protected and that the investment assets are not dissipated or claimed by parties who did not provide the underlying capital.

5. Contact Details

Full Name	David Modikwe

6. Conclusion

6.1 I would appreciate a written response within **14 (fourteen) days** of receipt of this letter.

6.2 I trust that, given your previous confirmation of receipt of the investment funds, you will assist in ensuring transparency and the protection of investor interests during this process.

6.3 I reserve all my rights in this matter.

Yours faithfully,

David Modikwe
