Pre-Emptive Rights (Pro-Rata Rights)

Investors shall have the right, but not the obligation, to participate in future financing rounds to maintain their percentage ownership, on the same terms as new investors.

Anti-Dilution Protection

Weighted Average Anti-Dilution: If the Company issues shares at a price below the price paid by Investors in this round (a "Down Round"), the Investors' conversion price shall be adjusted using the broad-based weighted average formula:

$$\text{New Price} = \text{Old Price} \times [(\text{Outstanding} + \text{New Money} / \text{Old Price}) / (\text{Outstanding} + \text{Shares Issued})]$$

Exception: Does not apply to employee stock option pool (up to 10%), shares in strategic partnerships, or acquisition transactions.

Tag-Along Rights

If Founders propose to sell more than 25% of their shares to a third party, Investors shall have the right to participate in the sale on the same terms and conditions, pro-rata to their holdings.

Drag-Along Rights

If shareholders holding 75% of the shares (including Founders) approve a sale of the Company, they may require all other shareholders to sell their shares on the same terms.

Right of First Refusal (ROFR)

If any shareholder wishes to sell shares, they must first offer them to existing shareholders pro-rata at the same price and terms. Existing shareholders have 30 days to exercise this right.

Liquidation Preference

Term	Detail
Type	1x Non-Participating
Priority	Investors receive 1x their investment before any distribution to other shareholders
Participation	Non-participating (investors choose preference OR pro-rata share, not both)

Example:
